Vivian de Camargo Dreyfuss came to Belleville High School from Sao Paulo, Brazil, South America. While staying in America she lived with Kristien Ferrier and family. In America she liked everything. Our people, games, dances, school atmosphere and school activities ranked as her favorites. Upon her return to Brazil, she will finish high school and go to college.

Carmen Vieira de Castro, whose American host was Suzanne Guirasola, came from Rio de Janeiro, Brazil. Her purpose in coming to America was to learn how we live and think. She admired our "classless society." Difficult changes for Carmen were our food and our transportation system. In Rio de Janeiro if you want to go somewhere you just hop on a bus, here we drive. Upon her return, Carmen will teach and go to college.

Julia Troncoso arrived eager-hearted to Belleville in January. Her native home was Chile, South America and her American home was with Bev MacDonald and family. In America, family and friends were on the top of her favorite list, although she enjoyed everything here. The hardest things for her to get accustomed to were the cold weather and our money. Future plans upon returning home will be going to college and studying law.

Although this year's Freshmen team was the smallest in ten years, they had excellent speed and a desire to win. Defensively the team was never behind in any game, allowing their opponents only three touchdowns all year. The strongest defensive lineman was Larry Ferri, who blocked three punts and caused numerous fumbles. Dan Woods was one of the leading tacklers. Mike Bonnica, although one of the smallest boys on the team, was the leading intercepter for the Tigers. David Lorentson was the leading target for passes from Glen Reinhackle and David Yocum. This freshmen team was the fourth team in a row to be undefeated. This year's coaches were Mr. Richard Steiger and Mr. Philip Neupert.

harriers display spirit but have rough season

Hulce's Harriers had a year of defeat, injuries and surprises. The team won its first and last dual meets, losing six straight in between. The record does not indicate the spirit that was exemplified by the team during the season. Captain, Ron Myszkowski, was counted upon to be the number one runner, but was injured before the first meet. Seniors, Bruce Motto, Pete Foster, Paul Hall and Joe Brooks will be missed by the team next year. Senior, Bruce Motto, was voted most valuable by his fellow harriers. Junior, Alan Fant was voted captain of next year's team. The team's coach was Larry Hulce, who helped them greatly throughout the season.

tigers fight to stay on top

This year's baseball team has a tremendous burden in trying to keep pace with the 1966 team, who captured the Wyandotte Invitational Tournament. Returning lettermen are: Captain, Wayne Suttles, Wilson Boone, Gary Gentle, and Bruce Bara. Though the returning lettermen are few, the juniors coming up to Varsity are promising. The team will again be coached by Vitold Kaminskis who has been a great asset to baseball in previous years.

Jesse Smith practices pole-vaulting before the meet.

Lots of hard work, a schedule against some of the strongest teams in the state, and little school support, are the elements that the Tiger Thinclads have to cope with. Track is not a glory sport. It takes much hard work and effort. However, one can get tremendous satisfaction from doing a good job. The team's won—lost record cannot efficiently give a true impression of them. Belleville often lines up 15 or 16 guys against squads of 50 or 60.

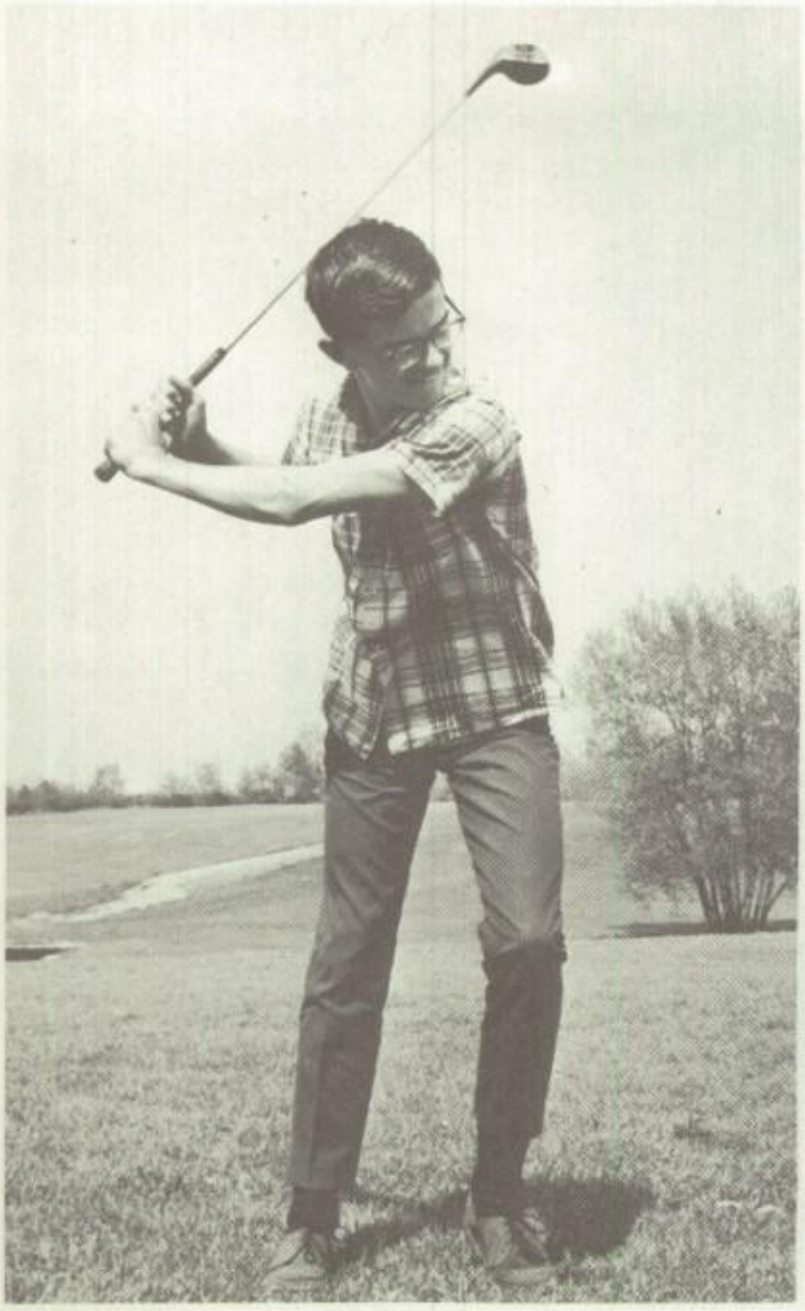
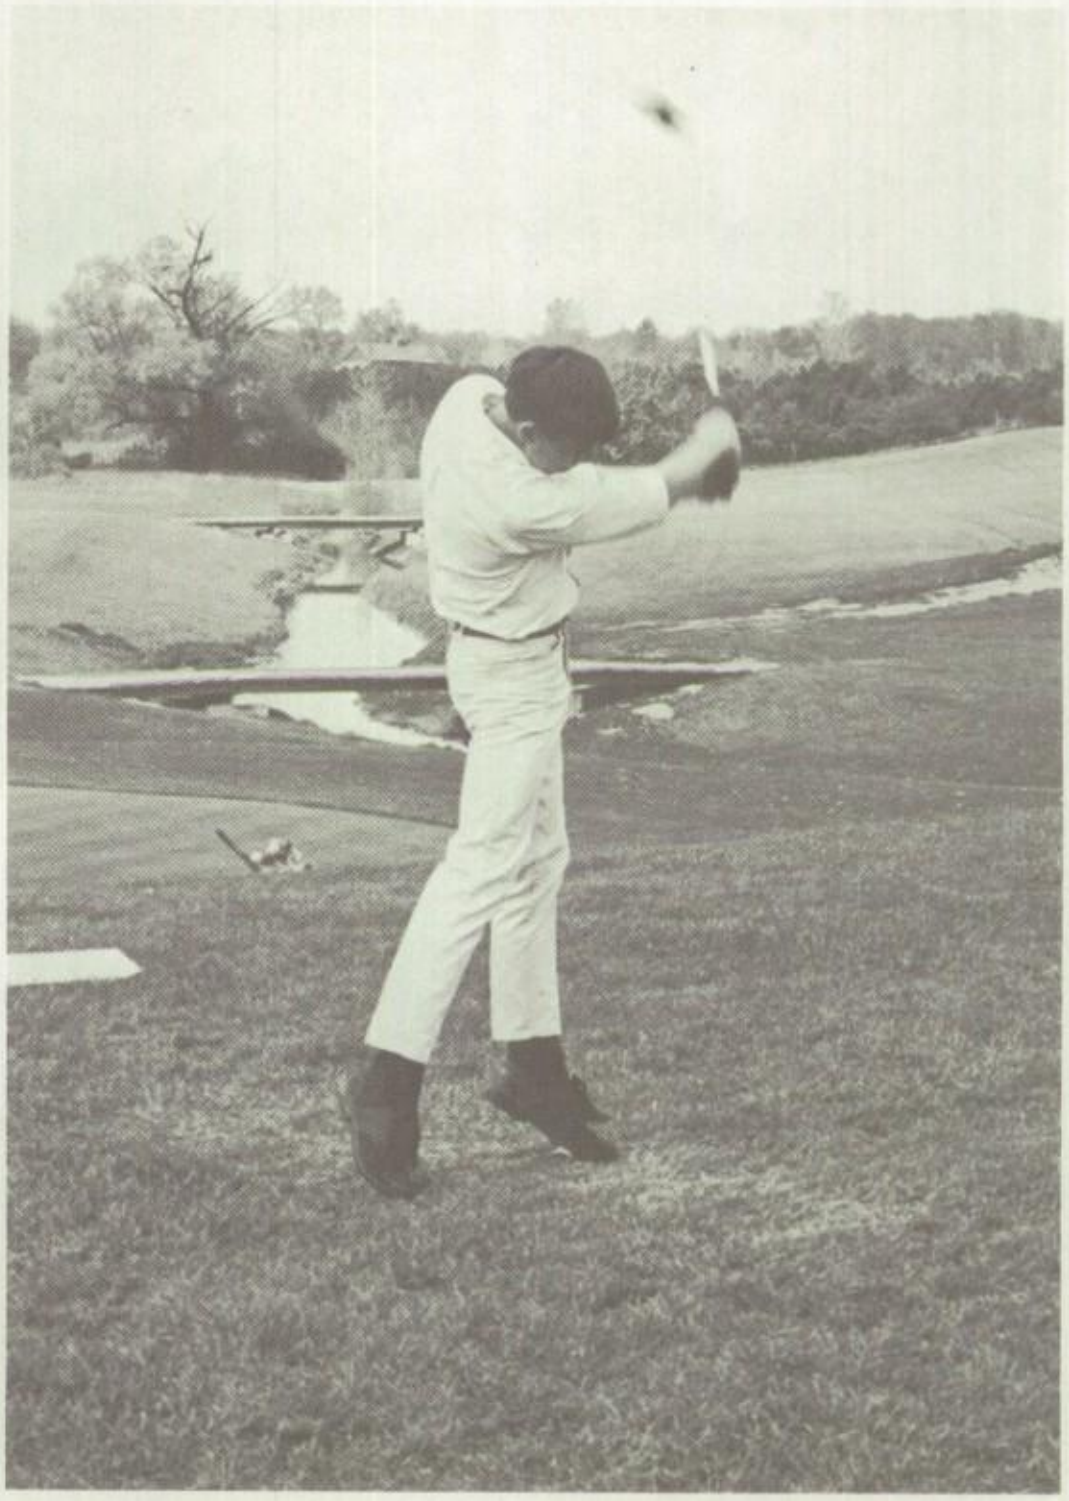
determined golfers swing into new season



David Brownlee prepares for a victory.

Bob Perry perfects his swing.

The major goals of the Golf squad this year will be to improve on the previous two years. The squad will have three returning lettermen this year: Dave Brownlee, Bob Perry and Gene Turney. The rest of the squad will be made up of young men on the Reserve Team in 1967. Some prospects for the remaining positions will be: Bill Hidenfelter, Ken Horste, and Bob Baldwin. Their strongest competition in the league will come from the teams from Plymouth and Redford Union. Many hours of practice and a lot of determination will be needed by the Belleville squad to improve their record.



Gene Turney tees off at Fellows Greek Golf Course.

g.a.a. expands activities and participation

The Girls Athletic Association made several changes in the fall of 1967. These changes were that G.A.A. is to sponsor any sports activity within the school concerning girls, with the exception of flamingos. G.A.A. organizes and sponsors intramurals and any girl who is interested in any sport can get up their own team and participate, they do not have to be a member of G.A.A. The sports which G.A.A. sponsors are flag football, soccer, volleyball, bowling, basketball, table tennis, badminton, track and softball. Extramural sports have taken a big part in girls' sports this year. These teams compete against area schools in three major sports: volleyball, basketball, and softball. When you are in G.A.A. you can earn certain awards. These are a letter, year numerals a G.A.A. pin, trophy or a plaque.

national honor society recognizes students

The National Honor Society, a national high school organization, gives recognition to outstanding students on the basis of scholarship, leadership, service, and character; it encourages the exploration of these qualities in students. It identifies the potential leaders for school and community, which our democracy will surely need for the assurance of a secure and safe America.

Sponsors of the club choose potential applicants, who then must distribute recommendation sheets to three teachers and sponsors they have had. The teachers then rate the students on the aforementioned qualities. Those who rate the highest are then inducted into the society at a special assembly, which parents of the new members are invited to attend.

Fun, excitement and diversity; these describe the Spanish club of 1968. Also known as "Círculo Español," the club participates in a number of activities throughout the year. Among these include initiation, a trip to the cinerama, and making voodo dolls for the Mardi Gras.

The club, meeting every other Thursday with sponsor, Miss Reum, becomes acquainted with the customs of Spanish speaking nations. These first hand views enable them to relate these situations to their own lives, which will prove of value to them later. Membership is open to anyone presently taking a Spanish course.

Sodalitas Latina was established in order that all Latin students might be able to meet in an informal atmosphere and continue the friendships made in their Latin classes. Many activities are planned in keeping with the Roman tradition such as the Homecoming float depicting a conquering hero in a triumphal procession, and the Mardi Gras booth entitled "Julius Matrimonium." In addition to these events, during the fall of the school year the club has an initiation party for new members who dress as Roman "slaves" and wait on their "masters" until they are set free at the end of a hilarious evening. In the spring they sponsor a computer dance for the enjoyment of the entire student body, and to wind up an eventful year, the members and their guests dine "Roman style" at an Italian restaurant. The motto of the club is "Latinum Vivit Hodiernum," a fact which the members endeavor to demonstrate in all they do and say.

Do you realize how much talent it takes to make a tiger stand up?

Anyone enrolled in a French class presently or anyone who was formerly enrolled in French is eligible for membership. The meetings are held on the first and third Thursday of each month, sponsored by Mrs. St. Amour, and Mrs. Douma. For initiation the new members are ridiculously dressed and are told to collect ten pennies and signatures as proof of some servile deed.

Their contribution to the Mardi Gras was the "Le Petit Cabaret," a French style cafe with live entertainment. This year the members have attended several French plays which contributed to a better understanding of the language.

The purpose of the Varsity Club is to recognize the achievements and abilities of those students who have earned a varsity letter in any field of sports. To become eligible for a letter, you must go through an intensive week of initiation. Members must maintain their letter each year in order to remain in the club.

The club sponsors many of the basketball games along with a guest team which comes to play against the coaches. This year it was an all girls team "The Shooting Stars." The club's sponsor is Marland Howard who supervises the activities of the club.

The Flamingo Club provides the opportunity for girls interested in swimming to increase their skills and knowlege of the sport. Membership is determined by tryouts and the sponsor, Mrs. R. Smith, is the judge. Each girl is judged by performing stunts and are given points for each. The girls with the highest points earn membership in the club.

The annual water show keeps the Flamingoes on their toes as each girl works diligently to perfect her individual routine. Meetings are held about once a month to discuss new activities. To be eligible for the office of President you must be one of the top four girls with the most points at tryouts.

Thus, as one can see, ability and dedication are two important factors which aid in making the Flamingo Club one in which character is developed to its highest potential.

bug club stimulates student participation

Biology Club officers, (l-r) Treas., Chris Lorentson; Sec., Patti Wykes; V. Pres., Cindy Sobecki; Pres., Shelly Steinman; and S. C. R. Joan Baker.

The purpose of Biology Club is to stimulate student experimentation and participation. Students receiving a B in beginning biology after the first semester are invited to join. The initiation for new members preceeds an evening of enjoyment.

This year, the club's newest participants are some white mice. The members have been studying their habits and reactions by setting up a maze to see how long it takes them to get to the food placed at the end. The club's contribution to the Mardi Gras was the jail and solitary confinement booths. Their new sponsor, Mrs. Scheid, has done much to advance the growth and success of the Biology Club.

Students watch their mouse go through the maze.

The girls become acquainted with their new pet.

future nurses learn skills of nursing

Girls discuss pamphlet on new Medi-Care plans.

Future Nurses prepare Halloween treats for the hospital.

The purpose of the Future Nurses Club, is to educate the girls in the skills of good nursing. They took a various number of field trips this year and also at Halloween time, they made treats for the Belleville Hospital children. To join Future Nurses you should be interested in nursing and be willing to help people in need. The Future Nurses meet twice a month with their sponsor Miss Esther Smith. Anyone who's interested, is urged to join and participate in an exciting and rewarding future.

Y-Teens is affiliated with the Y.M.C.A. Throughout the year they are involved doing various service projects. At Thanksgiving they made baskets for needy people. Also on Halloween they collected money for U.N.I.C.E.F. On March 15, they held their annual "Ugly Man's Dance." For one week students dropped their pennies in each nominee's can. At the end of the week the winner is announced at the "Ugly Man's Dance."

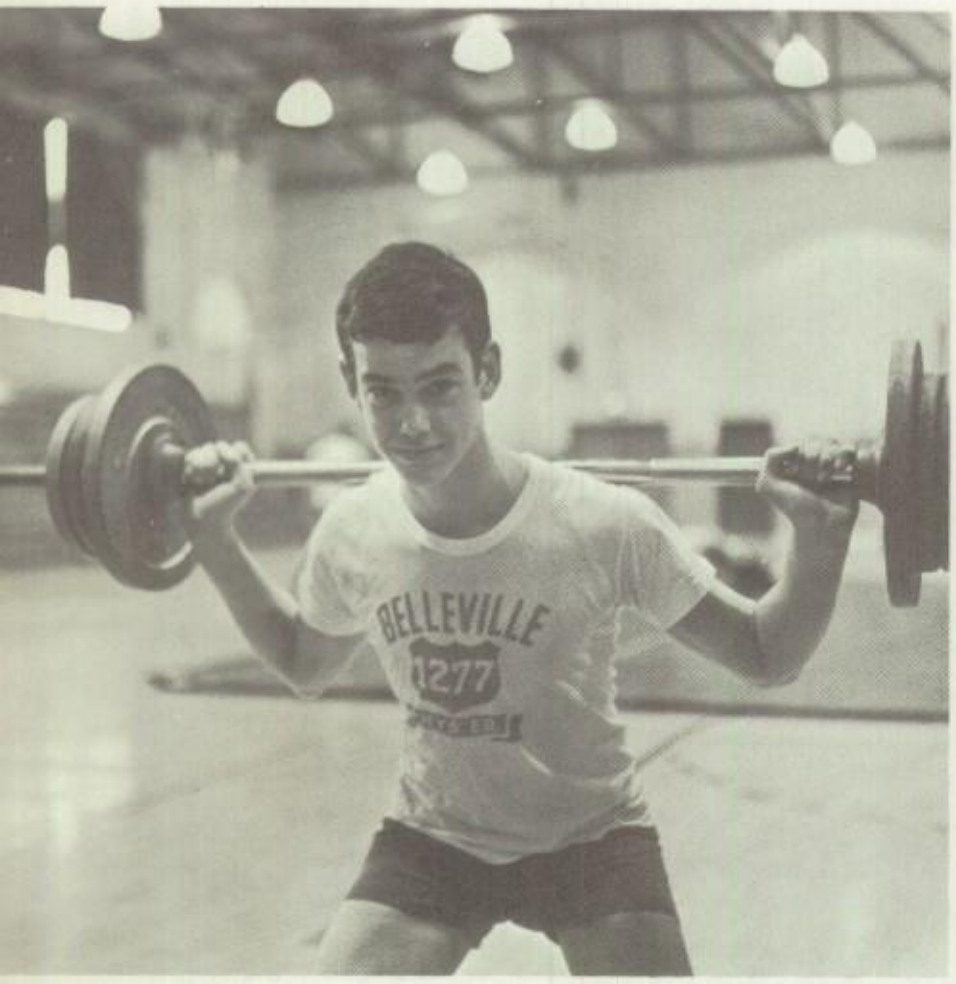
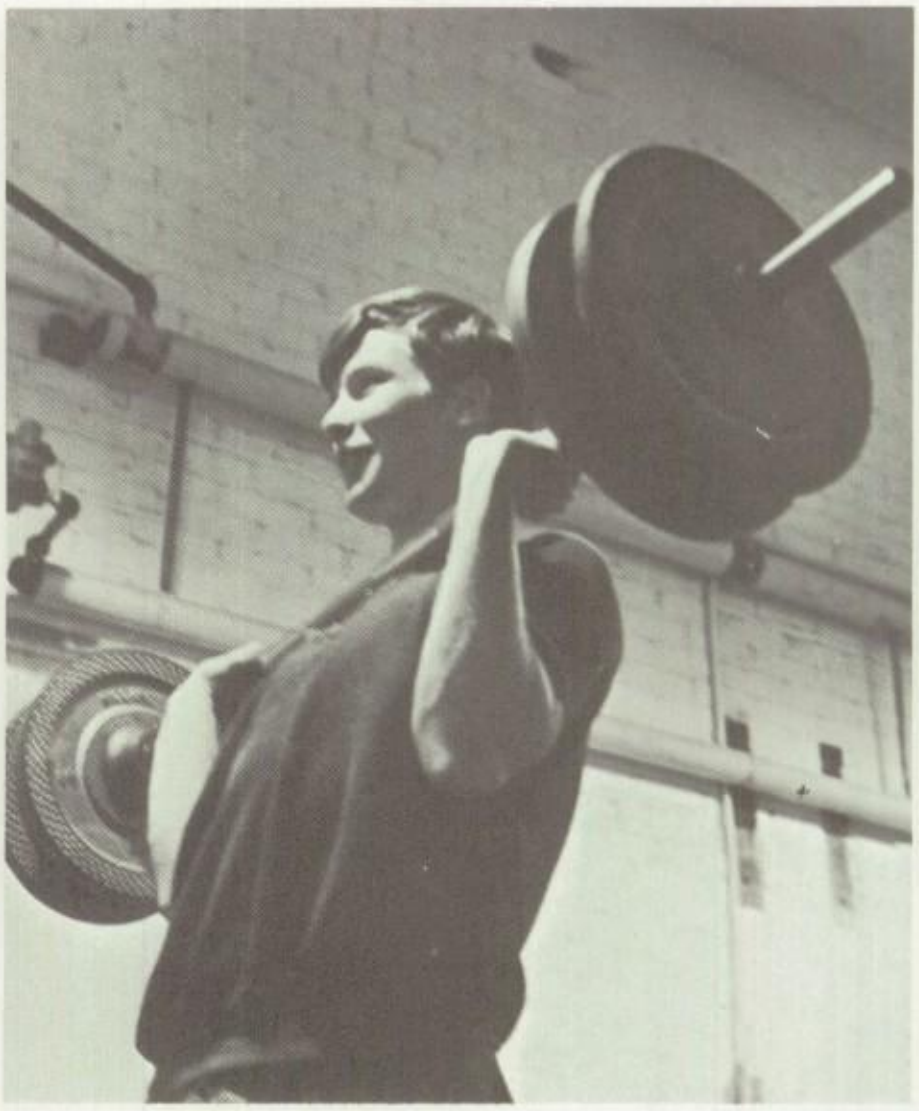
weight lifting club displays strength



Don Brooks displays his skills in lifting weights.



Mind over matter demonstrated by Jim Skidmore.

The Weight Lifting Club not only builds muscles, but also builds up their citizenship and morals. Three-fourths of the club can press more than their own weight. Their Sponsor Mr. Berry holds meetings three times a week on Mon., Wed. and Fri. Any boy interested is welcome to join. For next year the club is thinking of going into competition with other schools. They might even get a chance to meet Mr. America.

skiers enthusiastically pursue their sport

The Belleville High School Ski Club was organized three years ago to help make it possible for students to participate in skiing. Since then, the club has grown to about eighty members with Mrs. Emily Douma as their sponsor. Every two weeks the students go skiing, on Saturdays, at nearby Mt. Brighton. Those students ~~who~~ do not have their own equipment may rent them at the lodge. In December, the club goes to see a ski movie at Ann Arbor High School. Membership is open to anyone who would like to join and participate in this winter sport.

Ski Club Officers (l–r) Pres. Jim Rekshan, Treas., & S.C.R., Debby Lehman, V. Pres., Tom Nash, Sec., Joan Baker, Sar. at Arms, John Horton.

Homecoming Court; (l-r) Judy Stillwagon, Linda Cheek, Queen Sue Bechtel, Cindy Susterka and Debbie Hink

The 1967-68 Homecoming Festivities were enjoyed by all who participated. This year the events included the annual parade, homecoming game and homecoming dance held the following night. Enthusiasm was gained during the week as students made the finishing touches on their floats, elected their queen and took part in orange and black day. Homecoming night it was announced that Sue Bechtel was chosen queen and the Juniors had succeeded in winning the trophy for their float. To make things complete, our team carried the victory honors against Redford Union. This year's Homecoming will be remembered by all as one of the best.

Sharron,
I really can't say how much I have appreciated having you for a friend. I have enjoyed participating in the many sports activities that you have, with you. Every person has someone that they look up to and respect an awful lot. I have often thought to myself "If only I could be half as good as Sharron." I think everyone likes to set a good example and Sharon, you've done the best job I have ever seen an athelete do. Even though you have lost your temper a few times you have never really shown it. Sure, you get steamed up a little bit but somehow you seem to be able to control it. I don't know how you keep your temper but before I get out of B.H.S. so help me I learn. (If it takes me forever) I can't finish without
